When it
was time
for the
chorus...

...the sound
coming from
everyone's lips
appeared like
symbols.

...simply
wait for the
song to end.

Not even
thinking of
what the
lyrics meant.

I would
always...

And not
knowing if I
was feeling
pain,

I simply
waited for it
to be over.

REBOOT

Spring-
kiss?

Do you know
why you're the
only one who
has to stay
behind?

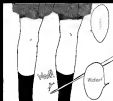

Why is
this?

what I've
advised you
over and
over again
not to do

You're the
only one who
can't seem
to stop
doing

Victor

Victor

First, your
legs

Spread
those out
more

Kobu!

More!

More!

More!

harp

Shower-
up?

They've
been at it
for nearly
an hour and
a half...

That
long?

....

I can't fight
against...

Music Room

the art of
petting a
quack and
to things.

...for the
first time,

I wished
that time
could stand
still.

Out of all
the stuff I
want to
pass by...

people
call
society

I don't
think
that's
what

That's
because...

First
of all,
I can't
under-
stand
why...

you're so
hung up on
who won or
lost.

...you've
never lost.

as long
as I don't
quit, I might
get my
chance...

Even if
the odds
are stacked
against me,
just maybe,

3

As
long
as you
don't
quit...

A
chance...

I can
sort of
under-
stand...

Someone
like you...

can't
under-
stand that
concept,
can you?

unreliable.

...how
hard it is to
give up on
something...

Would
these get
in my pocket?

It didn't
cross my
mind.

but I
must've
smiled
awful.

Even while I'm
playing ping pong
like a madman, all
I can think about
are unnecessary
things. Even if
what happened
a few hours ago
meant that she
dumped me,
nothing has
changed.

She asked me
to be calm, so I
kept calm. Then,
looking out over
my surroundings,
what I saw
was moving
background.

If I can't
keep my
mind off
the grand-
daughter,
then I'll
mail her
and go
to bed.

The Shyr train is a short-distance, unstaffed and observed train line of South Air. Please, enjoy.

Is this
the time
for me
to be
setting?

Even if
the walls
are stacked
against me,
just maybe,

as long as I
don't really, I
might get my
chance. "

If I spray
deodorizer
the smell
will go
away.

What
should I
reply...?

Hay...
Wart!

I didn't even
want to hear
if she'd be
available...

I'll be
waiting
for
you, my
love!

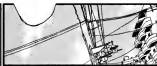

She
won't
even look
at me.

I bet it's
because I
stayed up all
night.

Why the
hell did
I suddenly
come all the
way to the
shop...?

Let me handle any office-related issues

Got to confirm the origin of my outside orders

Don't cause any more embarrassment for the paper over there

If our schedule's packed, then that's just the way it is

There's a string of holidays this month

We were really careless!

We're really sorry about what happened

We can't let you go

Ugh...

The documents for tomorrow's meeting

How have things been going?

Ugh...

What should I do next?

It would be simple if I could sort out everything in my mind first

...I'm going
to show up
pretending
like nothing
happened?

But,

o_o

Just like I thought

and they were bringing out all the critically injured people onto a transfer bus.

The train on the Vespene line got derailed.

That!

I'm telling you, it was a disaster, Master.

He is here!

That!

Knock on wood!

When did my batteries die?!

You gotta be kidding! That time is it anyway?!

.....

I can't find a reason to refuse him.

Oh, mother what,
